

Association Networking Meeting (21,25 January 2022)

We had “The Association Networking Meeting” on online based on the MOU which was concluded 3 years ago with 7 water related associations. This time, considering the time difference between the 8 countries, the meeting divided into 2 groups and 2 days. In this meeting, we shared the latest information about the water supply services and the impact of COVID-19 for water utilities from each association and exchanged opinions.

Day one (1/21) : Chinese Taiwan Water Works Association (CTWWA), Malaysian Water Association(MWA), Philippine Water Works Association (PWWA), Thai Water Works Association (TWWA), Japan Water Works Association (JWWA)

Day two (1/25) : American Water Works Association (AWWA), Indian Water Works Association (IWWA), Korea Water and Wastewater Works Association (KWWA), Water Services Association of Australia (WSAA), Japan Water Works Association (JWWA)
